# AHEAD OF THE PACK

Dodge Challenger. It's a name that carries a legacy of power, performance and customization. The name takes you back to the birth of the muscle car era, when you didn't show up unless your car was tricked out with parts, stripes and a Scat Pack sticker on the quarter-glass. Today, Mopar® offers a line of exclusive performance parts for Dodge Challenger. The lineup ranges from Performance

Suspension and Lowering Kits to a Shaker Hood Package to Custom Wheels machined to match the exact specifications of your Challenger. Regardless of which performance or appearance enhancements you choose for your Challenger, you can rest assured you'll be bringing a new set of bragging rights to the table.
